

# Cases

### Aluminium Transport Cases

The perfect solution for protecting equipment from dust and damage during transit. Designed around Europallet dimensions for easy integration with universal travel systems.

### Lightweight & Robust

Lightweight aluminium construction, with ribbed corners for added strength. Securely stackable, using locator guides on each corner.

### Tough Grip

Tough, plastic protected grip, with 35kg load capacity, per handle.

### Steel Tool Chests

Strong, tool storage chest, designed to withstand use in demanding environments. Hardboard lined to protect damage to the interior. Includes removable parts tray for smaller items.

### Heavy-duty

Manufactured in phosphated steel for increased corrosion protection and finished in a durable, epoxy powder-coat paint. Features wrap-over, shower resistant lid.

### Secure Handling

With double grab handles for firm handling and padlockable hasp & staple clasps for security.

## bott | Cases Aluminium Transport Cases

### Aluminium Transport Cases

- Ribbed body for strength, whilst remaining light weight
- Tough plastic protected grip, load capacity of 35kg per handle
- Stackable with stacking locators on each corner
- Recessed base prevents ingress of water if used on wet floors
- Rubber seal to lid gives a shower resistant container
- Based around Europallet dimensions

Item	External Dimensions W x D x H (mm)	Internal Dimensions W x D x H (mm)	Weight (kg)	Litres	Order Ref.	Price £
